It was the fuck of the century

My partner Nick and I have been together four years now and have a great sex life. We first met in my local wine bar.

I was out with my mates drinking and dancing and having a great time. Then I noticed Nick. He kept giving me a lovely, stomach-fluttering look so I went up to him and asked if he wanted a drink.

"Yes please, love!" he said. I spent the whole night talking to him in the wine bar and we had a great laugh together.

I looked down to his trousers and saw he had a big hard-on. He kept saying I was so lovely and sexy, touching my leg under the table at the same time.

When I was going home, a bit drunk, he offered to walk back with me to my place. When we got there I asked him in for a drink of tea or coffee and he said yes.

He sat on the settee while I put the kettle on. Then I went into the living room to put some love songs on the hi-fi. I came in with the drinks and sat next to him.

As we talked, he looked into my eyes. He told me I was a lovely, attractive, kind young lady and great fun to be with. He said he fancied me loads and wanted me to be his girl forever.

Then he started to get closer to me, pecking my neck and then snogging me. He put his hand up my skirt and started to rub my juicy wet pussy through my knickers.

I was feeling very relaxed and very horny. I started to undo his trousers and put my hand down his pants. I started rubbing his big hairy cock, which was very stiff.

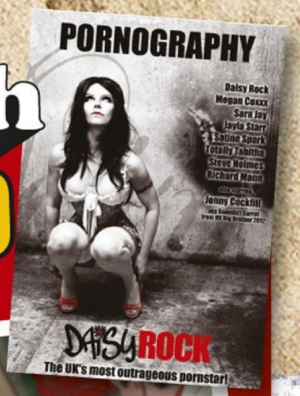
DAZED & ABUSED



Daisy, Daisy, give me your answer do... Will you star in a smouldering three hour DVD featuring six scenes of real, raw, behind-the-scenes footage of what Brighton's bustiest, brassiest porn star Daisy Rock gets up to in her intimate day-to-day life? Will you offer us a kind of X-rated diary as Daisy visits porn conventions to fuck stars and coaxes great performances from genuinely nervous fans (hi, Phil). Oh, and can you include a bonus scene at the end of you and Megan Coxxx pissing on each other in the shower? You can? Then we're sold! From Your Choice.

"Eventually he groaned and spunked his sticky load all over my quivering, writhing face and body"

Then he got up and picked me up. He carried me to my bedroom and we started to take each other's clothes off. We had real hardcore sex in the shower and on the bed.

He kissed my nipples and my body and then started to suck and lick my wet pussy. Then he fingered me very quickly until I orgasmed and juices dripped down my leg.

Then I got hold of his lovely erect cock and sucked him off for a long time. Eventually he groaned and spunked over my face and body.

When he was hard again he drove his big cock deep inside my pussy. He pumped in and out quickly and we were both screaming like hell and really enjoying it.

In bed we had a 69, did it doggy-style, with me on top, him on top and we were at it for two hours. We both felt happy, relaxed, sexy and very horny.

After we had had sex we cuddled up to each other and fell asleep naked in each other's arms.

We kept seeing each other every day and started to get together properly. Now we are living together and our sex life is still great. He says I am the fuck of the century!

I hope *Razzle* readers enjoy reading this story and looking at my pictures in this great mag. Now we would love to meet a bi-female or a couple for a three or foursome.

I'd love to make passionate love to a woman for the first time while Nick watches and then joins in.

I hope that day comes very soon! Perhaps readers can help!

Getting the birthday bumps

My name is Paula and I just love sex. In fact, I think I was born to fuck.

Gangbangs, threesomes, sex with strangers – I just can't get enough. If this makes me a slapper, then all I can say is I'm proud to be a slapper and give me more!

My husband Paul knows that I shag around and he does too. We fuck other partners but together me make lush lovely love.

I like watching Paul fuck other women as much as he likes to see me being fucked by other men.

For my last birthday he promised me a really special night. I knew it would involve sex, but was I in for a surprise!

Paul told me we were going to a party, but when we arrived there were about 30 blokes there and, surprise surprise, only one piece of pussy – me.

I was not intimidated, but already I felt my sex hormones raging and my pussy twitching. My hubby started to introduce me to all his friends.

"I was going to get a whole load of cock and a whooping audience too!"

But I told him to skip the formalities because I was only interested in their cocks. So after a couple of drinks a mattress was produced in the middle of the living room floor.

This excited me even more. Not only was I going to get a whole load of cocks, I was going to have a whooping

visit www.paulraymond.com

audience as well.

I danced to the music as I slowly stripped off and so did they. In the excitement it seemed as if I was surrounded by a wall of lovely stiff cocks.

After a few minutes of teasing and tomfoolery a big coloured guy, to my relief, took the initiative. He pushed me down onto the mattress.

My ankles and wrists were grabbed by the other men and I was spreadeagled on the mattress. I felt totally vulnerable and open.

Not for long though. He was on me like a predator on its prey. His cock slipped up me as if it was a cruise missile homing in on its target.

He must have been over-excited, as he shot his load within a minute or two. But as soon as he withdrew he was replaced by another hard cock. Ram, ram, spunk!

It turned into a night full of wham, bam, thank you mams, but when you get one after another it means a lot of arse-gripping orgasms.

One guy even had the decency to satisfy a lady by sticking his rampant cock up my arse while I was astride another coloured cock.

I was also trying to suck another cock off at the same time, but my body was so wracked with pleasure all I could do was quiver.

I must have been doing something right, though, because the cock that was in my mouth suddenly exploded straight down my throat.

Now I had good creamy male spunk in all my important places.

This night of wanton fucking carried on all night. I couldn't tell you how many men fucked me that night, but it was fantastic.

I don't think I will ever get tired of sex in all its forms. I have also developed a taste for being butt-fucked – it's lush.

The man scoffed, "Deaf? I've been shooting my load into your gob for years and you're still fucking talking, aren't you?"

TRUE CON

MEL PUMPS IRON – AND MEN – DOWN THE GYM. THOSE FEES DON'T LOOK SO DEAR NOW!

I'm a fitness fanatic, and my gym is great as I've managed to find a nice routine after I finish work, way before most people get there. Sometimes I get almost the whole health suite to myself after working out, which is bliss.

You get a few guys in the steam room, however, who seem to think they're being discreet when they're blatantly looking at my tits and arse in the foggy atmosphere. I love it, though, which is why I'm always wearing a bikini with G-string bottoms to show off my tan. I soon discovered one guy in particular, who never left until I did.

We began to chat each time, and knowing that he was craving my body, I would always be shifting positions, lying on my front to show my pert arse or sitting cross-legged, sweat dripping over my cleavage. I knew he was dying to get a more lingering look at me, without the steam obscuring his view, as his conversations got more suggestive each time. He eventually caught me by surprise a few weeks ago.

The health suite was deserted when I arrived, apart from the same guy, Adam, who was lounging in the jacuzzi, smiling at me as I walked over to the steam room. He followed me in, sitting down right next to me rather than on the opposite or adjacent bench. "I'm really glad you're here," he said, "you're so gorgeous, I can't get over it." I felt flattered and turned on, and could hardly reply but managed to utter, "Thanks, err… thank you."

He was sitting so close to me that I could feel the sweat from his shoulder dripping onto me. I knew that he was staring right at me, and the instant I turned towards him he leaned in to kiss me.

Without thinking, I responded, our perspiring lips sloppily moving against each other. The door to the room was totally steamed up, as I glanced to check nobody was walking in. It would have been too late anyway, as I felt a slippery hand reach inside my bikini top and grasp at my breast. "These are the best fucking tits I've seen," he half-grunted in my ear. I felt my vagina tighten with excitement, as he started sucking at my nipples, pulling his head back to look at them and then sucking them again. They were rigid, and leaning back against the soaked corner of the room I kept one eye on the door as he devoured each one in turn.

He was now on top of me, and the heat was so strong that I could hardly breathe. I didn't want him to stop, though, and his hand was now at my G-string, pulling it out of my bum. His fingers were slipping down the cleavage of my arse as a river of sweat ran between my legs. I shifted my body slightly to the side, allowing his finger to slip around to my fleshy lips. I must have been incredibly wet inside as well as out, because two fingers were soon knuckle deep in me. With one eye still on the door, I reached inside his shorts for his dick, which was stiff and hot. My hand slipped up and down his shaft

FESSIONS

"I GOT POLED FROM BEHIND LIKE A SLUT!"

effortlessly, despite my tight grip, and we snogged passionately, our faces pressed together hard to keep our burning lips locked.

My tits were now hanging out against the hard bench, as I lay on my side in my own pool of sweat getting poked from behind, like a total slut. My face was contorted, half from the heat and half from the fingering I was getting, and I pulled his cock slightly towards me. He took this as his cue to bring it near my face, which was covered with my hair sticking against my cheeks. Hooking my leg around his arm, I spread wide, allowing him to work my pussy hard, whilst I lay on my back waiting for his meat.

Taking his tip into my mouth, I breathed in through my nose, feeling my nostrils burn. I suddenly remembered that someone could walk in at any moment, but I loved the fact that he was strumming my clit so well, and I knew that he could make me come.

He obviously didn't care at all, as he then mounted the bench, over my head, dipping his prick back into my mouth and going down on me. There was now no turning back, and I was licking his scrotum and the base of his dick whilst beads of perspiration rolled down my face. With his tongue flashing against my clit and his hand filling my pussy, it was almost too much to take.

I knew I needed his prick inside me, and so crawled from underneath him, pushing his slippery torso back against the steam room wall.

Straddling him and sliding down his shaft was easy, and as I began to ride him I ran my hands roughly over my own breasts, forcing my own sweat to splash out over my nipples and onto his chest. He was desperately gripping my drenched bum, as my knees slid either side of him, taking his cock deep inside me.

As I eventually climaxed, he held my tight little biceps hard, pulling me on to him, causing me to orgasm heavily, my temples burning with the heat and pure pleasure. Without speaking, we both knew that we couldn't add his spunk to the dampness of the seating, so I slipped from his dick and took his pulsing length back in my mouth.

He filled it in seconds, and I had to wipe my lips with the back of my hand as it seeped from the corners of my mouth. I had no choice but to take it all down my throat, and I could make out his grinning face as I licked the final bit from my lips.

Suddenly the heat was so noticeable, and I realised I had just drank a virtual stranger's spunk behind only a steamed up glass door that was accessible to anyone! We giggled at our filthy, risky behaviour, as we breathed heavily in the dehydrating air and looked again at the door. It was a bit too late to start worrying now, though!

Welcome to my pleasure dome

"Juice was dripping out of me as my turned-on man watched me wanking"

As an avid *Razzle* reader and I just had to write in and share a sexual adventure my partner and I had.

One night last summer my partner and I went out for a couple of drinks. We sat in a dark corner of the pub. Before long we had started touching each other.

His hand slid up my dress and started rubbing my clit. My pants were getting really wet but I was loving it. I started to rub his straining crotch.

The bulge in his trousers was very noticeable. He started to work his fingers in and out of my cunt. It was heavenly!

We were both feeling very horny by now and the thrill of doing it in public turned us on even more. After a while we left the pub and got into the car.

We drove around looking for a place to park up – I badly wanted fucking. We came to an empty field, turned in and stopped the car. I had been frigging myself frantically all the time we were driving.

Juice was dripping out of me and my man was getting extremely turned on as he watched me wank.

I got out of the car and started dancing exotically in the glare of the headlights. I undid my red coat before slowly removing my dress.

There I was in the middle of a field in just my sexy stockings and suspenders and I didn't care if I was seen. I

"My arse was wet and dripping with cum but I just couldn't stop"

carried on frigging myself till I was wet and dripping.

He came over and started licking my pussy until I had a multiple orgasm. Then he stood up and I unzipped his trousers. I pulled his big cock out and started sucking it hard.

I sucked his helmet and the length of his shaft. He was groaning with pleasure and his cock was growing harder by the second. I desperately wanted it up me.

He slipped his fingers up my arsehole and started pumping them in and out. I was in ecstasy, screaming and groaning and begging for more.

"Fuck me you swine!" I shouted. He slid his cock inside my dripping pussy. Then he thrust so hard I screamed even louder.

He was all the way inside my pussy and I could feel his balls banging against my arse. "You're a dirty little bitch – and you're loving every minute of it, aren't you!" he said.

We were moving in perfect time and my pussy was ready to burst. I couldn't hold back any longer and I yelled out and came all over the place.

My arse was wet and dripping with cum but I just couldn't stop. Then with an almighty thrust, his spunk filled my pussy, burst out of its entrance and ended up dripping down my legs and quivering arse.

I licked our mingled sex juices off his cock. After a breather he got his camera out and took a few shots to remind us of our special night.

When we got home we were feeling horny all over again and got back in the saddle! My partner has promised if this letter is printed we can do it again, so please make my day!

Brandon & Susie

I'm a single white guy who makes porn for a small producer. I like to swing and have a massive cock and, being in my position, it means that I get more than my fair share of pussy. I'm a big fan of *Razzle*, so I thought I'd write a letter to you guys about one of my most recent, and exciting, experiences. I know that a lot of white women fantasise about having a porn star and if I'm honest I do take advantage of that fantasy to get laid, but I haven't had any complaints yet!

I got into the swinging scene by accident, when a woman at a nightclub invited me back to her place and it turned out that her husband liked to watch blokes fuck her– and was waiting for us both when we arrived. I was a bit freaked out when I first realised the score, but after thinking about it for a minute I just figured it was horses for courses and I wasn't going to turn down a shag! They later invited me to a club and it has kind of grown from there. Now there are a few couples that invite me to join them from time to time, and it means that even if I don't go to a swinging club, I'm never left wanting for a fuck.

Recently I've been spending a lot of time with Susie, who has always had a thing for well-hung guys, apparently. She's married to Duncan, a local dentist, they are both in their early 40s - I'm 28 - and Susie's in pretty fit shape. She's a blonde with full tits and a great arse – which she's no stranger to taking a cock up, either. She's basically a bit of a nympho, and Duncan is happy for her to have other guys, as long as nothing goes on behind his back – whether he joins in or not. Well, the three of us get on as mates as well as being fuck-buddies, so it was only natural for Duncan and I to get together to cook up a birthday present for Susie last month – and pretty mind-blowing it turned out to be, too.

On the night, Duncan blindfolded Susie and brought her round to my flat, where myself and three of my mates - Mike, Anton and Luke – were waiting. Susie knew that something was up, but she's a really game girl and trusts Duncan, so she knew it'd she'd be fine and just went along with it. Duncan put his finger to his lips, motioning for us all to keep silent and began to slowly take her clothes off, one item at a time, giving us all a show. Once she was naked, he stood her in the middle of my lounge and told her not to take the blindfold off. Then he started to strip his clothes off himself, which was our sign to do the same, as quietly as we could, so as not to give the game away too soon.

Susie knew that there was something going on – she'd have been stupid not to, given the noise we were all making – but as she groped around in the darkness, we all made sure to keep out of reach of her fingertips. When Duncan had made sure we were all in the buff, he motioned for us to line up on one side of the room. He then stood in front of Susie and grabbed her hands, running them down his front to feel his bare torso, before leading her towards the rest of us and letting her hands go and joining us, so she was once again blind. Susie held her hands out in

"She sucked me off while she felt around for the two cocks on either side of me"

front of her, feeling her way closer to us, and grinned wider and wider as she came across stiff cock after stiff cock. I think she deemed it a nice surprise!

None of us men said a word, but Susie recognised Duncan and myself from the shape of our cocks – something I think Duncan may have been secretly relieved about! Susie laughed when Duncan admitted she was correct, and said, "Now this is what I call a birthday pressie!" before pulling me towards her and lowering her warm lips down over my cock as she sank to her knees.

I let out an involuntary moan as she sucked me off using just her mouth, her hands feeling around until she grabbed hold of Duncan and Mike's dicks, who were on either side of me. As started to wank them off and find a rhythm with her mouth, Luke knelt behind her, reaching under her arse to finger her fanny and Anton just stood at the back, getting off on watching what was going on, waiting his turn.

The five of us had agreed beforehand not to speak to each other, or Susie, as we figured that would increase the thrill for her, and so at first there was near silence in the room, broken only by the occasional moan or sigh of pleasure and the sounds of sex – Susie's mouth slobbering around my cock and her juices squelching between Luke's fingers.

After a couple of minutes, I pushed her mouth off my cock and pulled her to her feet. Anton was already lying back on the floor, wanking away, so the four of us led Susie over to straddle him and guided her to her knees. She caught on pretty quick, and soon she was impaled on Anton's huge, vertical boner, yelping and groaning as he pushed inside her, stretching her tight fanny as his big prick hit home. He raised his arms to support her and Duncan started to frig her clit as Mike, Luke and myself sucked on her tits and took it in turns to thrust our cocks into her mouth.

Susie was gasping, grinding against Anton's pelvis as she moved up and down his shaft. As she took every inch of this thick cock inside her, it was obvious to us all that she was climaxing; her body was glistening with sweat, her breaths now coming in short gasps and her legs trembling. As Susie lost herself in her orgasm, Anton grabbed her hips and pummelled away at her pussy hard, until he, too, came, pulling out and shooting his load all up Susie's back.

Quickly wiping up the mess and moving her onto her back, Duncan propped Susie up on some pillows and motioned for me to go next to give his wife a good fucking. My cock was aching to cum so I wasn't about to argue and I moved between Susie's legs. Positioning the head of my big dick at her pussy lips, I parted them slowly as I pushed my way inside, then slammed my entire length home, causing her to yelp loudly. I glanced up as, again, Duncan's hand slipped down to play with his wife's clit, and the other three guys took it in turns to suck on her tits and shove their members into her awaiting mouth.

This was such a horny sight, and Susie's cunt was so tight, that I began to bang away as fast as I could, a little moan escaping her lips with every thrust. As I fucked her for all I was worth, I managed to cause the blindfold started to come loose, and she could finally see just how many men she was servicing. A broad, dirty smile played around her lips, and she pulled away from

the cocks that the three of them were offering her.

"Stop fucking me, Brandon! I want all of you to get in a circle around me," she ordered, taking charge now, and pulled herself away from me so that she could crouch in front of us. We gathered around her, and she sat back on her arse and began to play with her dripping hole, looking at each of us in turn. Now, that was a sexy sight! "I want you all to wank off over me at once," she said, "I want to be completely covered in all of your sticky cum."

None of us needed any further encouragement and we all started to whack off, our cocks already slick with her spit – and, in mine and Anton's case, a liberal spearing of pussy juice, too! It didn't take long before we were all firing off our loads across her face and chest, leaving long strings of spunk all over her body. Susie came too, on the end of her own fingers, before gathering up the spunk with her hands and licking them clean – all the while looking right at us, as if to prove that she really was a filthy little slut. It was incredibly horny, and I quickly felt myself getting hard again.

"She gasped that she wanted to be covered in all of our sticky spunk loads"

Needless to say, a couple of the other guys were in the same position, and once Susie had a few minutes to recover, she made sure that every one of us was left more than satisfied!

MELISSA & SASHA

What happens when you put two cutie-pantses like Melissa and Sasha together? Apart from ear-splitting jabber as the two teenies discuss the latest incomprehensibly bad ITV talent show, some seriously hot lesbo libido stoking. "Blokes your age can look like old farts but you're as dirty as us!" they informed the Razzle crew.

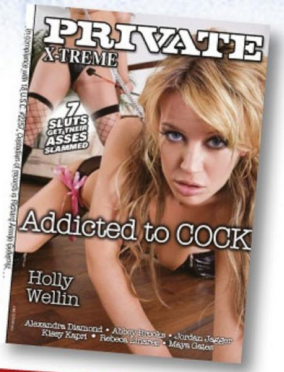
FILM PHW

WE GIVE IT TO YOU STRAIGHT... JUST THE BEST OF BOY-GIRL

Vanilla Pie

Addicted To Cock

Released by: Private Movies
Starring: Rebeca Linares, Maya Gates, Holly Wellin, Jordan Jagger, Kissy Kapri



BEST BITS: Five cracking anal scenes – our standout favourites being the opening boy-girl scene featuring beautiful Alexandra Diamond and the threesome with two blokes and Spanish stunner Rebeca Linares. Rebeca, in particular, gives an outstanding performance, yelling and screaming her way through double-blowjobs, reverse anal cowgirl and a couple of DPs, before enthusiastically having the guys come on her arse and face, respectively. The only girl-girl-boy scene pairs the delectable Holly Wellin with the equally curvaceous Jordan Jagger in a mouthwateringly naughty tryst. As well as a dominant Holly leading Jordan around on a lead, barking orders and talking dirty, the scene also sees plenty of sloppy oral and anal, with the stunt-cock earning his wage, popping his wad twice. The sight of Holly doing Jordan up the arse with a strap-on as she gets a prick in her pussy will get you reaching for the tissues...

WORST BITS: The threesome with Abbey Brooks and Maya Gates was a bit of a disappointment: we weren't entirely convinced that the babes weren't just thinking of their pay cheque. Harsh? Perhaps just a little.

DVD FEATURES: Model Profiles, trailers for other Private movies, website info.

Touch Of Spice

Released by: Viv Thomas (Girlfriends Films)
Starring: Cipriana, Kitty Kat, Lana, Mira Sunset, Viktoria Diamond

BEST BITS: Five scenes of what Viv Thomas does best: slick, well-lit, couple-friendly porn, with some of the sexiest new European stars showing they know how to handle a bratwurst or two. She may have a questionable moniker, but perfectly formed Kitty Kat's portrayal of an virgin popping her backdoor cherry is filthy and well worth an instant rewatch. Beautiful brunette Cipriana lives up to her rising reputation porn's new princess, fucking and sucking legendary cocksman James Brossman into oblivion. Lucky bastard.

WORST BITS: Stilted dialogue but the girls shouldn't be talking their mouths full anyway.

DVD FEATURES: Trailers for other releases, website info, the usual bare minimum.

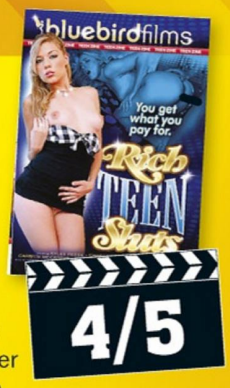
OOOAAR!

Rich Teen Sluts



Released by: Bluebird Films
Starring: Carmen McCarthy, Kylee Reese, Nicole Ray, Chastity Lynn, Addison Cain

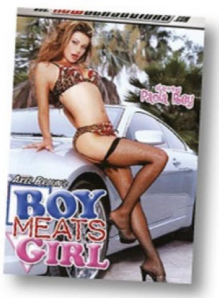
BEST BITS: The best bit of any movie featuring *Penthouse* babe Carmen McCarthy has to be Carmen McCarthy! True to form, the American honey is sex on legs – especially as she spreads her pussy lips and begs to be fucked. Pocket-sized cutie Kylee Reese may look all sweet and innocent, but she is dirty! After making sure her guy's dick is clean of her juices after each position, she encourages him to shoot over her pussy before scooping it up with her fingers and licking them clean. Chastity Lynn's oral skills also deserve a mention: we've never seen such determination where cock-swallowing is concerned – not that she ever actually manages to make it all disappear, but she has a damned good try! If you like your women cute, young and fit, with pert boobs, and your porn with plenty of chemistry and POV shots, then you could do worse than this.

4/5

WORST BITS: Although the idea of fucking the arse of a little rich bitch has a certain appeal, we just couldn't get past the bitchy, demanding manner of the laydees. It does, however, say a lot for the acting!

DVD FEATURES: Photo gallery, cumshot recap, trailers and the usual info. Not bad at all.

Boy Meats Girl



Released by: Digital Sin (New Sensations)
Starring: Sativa Rose, Tory Lane, Paola Rey, Dani Woodward, Delilah Strong, Roxy Sweet

BEST BITS: This is the first in a series of the Boy Meats Girl series, and the original is definitely the best. The opener sees the fantastically foul-mouthed Tory Lane taking a load over her pretty face, and that's just for starters! Brazilian superbabe, Paola Rey may also get a facial or two, but gives the performance of her career prior to that, taking on two huge cocks and fucking them raw. The chemistry between 'blow-job' lipped Mexican Sativa Rose and her two studs is scorching, and makes for an explosive scene, with Sativa getting spitroasted before swallowing one wad and getting plastered with the other.

WORST BITS: We're struggling to find one… We'll get back to you!

DVD FEATURES: An extensive gallery and slideshow, trailers, a great behind-the-scenes feature and a horny bonus scene. Sweet.
